Souly Lodge

Relax! it's your Nature

Souly Lodge is a perfect location to take a break from everyday life in a calm and natural environment. Relax and watch the local wildlife, like the camels on their daily walk to Khour Souly or the dolphins playing near the coast. Throughout the year, thousands of varieties of birds fly around the bungalows, nest in the palm trees. Enjoy the endless natural beaches, go for a swim in crystal clear waters or for a long walk on white sands.

NEW HEAD OFFICE SITE VISIT

As we are moving towards accomplishing our company goals and strategies for the next decade our new head office will be an integral part of it as it shows our identity and what we can bring to the table which is the social and economic responsibility towards this country.

The building will consist of two towers, where our offices will be located in the top three floors situated in the right tower as showed above in the concept photo, the first and second floor will be our small business center where all client meetings will be commenced. As for the left tower we have signed with Rotana Arjan.

"We are sharing with you the first level of the new head office which is located beside Oman Mall"
